

Imminent upload of your digital Statement of Participation to My Account

Have you been waiting for it? Here it is!

In March 2021, your 2019 Statement of Participation under a public-sector pension plan, such as RREGOP or the PPMP, will be uploaded to My Account. Access My Account now: it's simple, fast and secure! During your visit, take some time to:

- choose the digital option to receive your Statement of Participation and other documents in My Account, rather than by mail;
- sign up for notifications by email or text message, which will inform you rapidly of changes made to your file, including when your Statement of Participation is uploaded.

For more information on My Account, visit our website at retraitequebec.gouv.qc.ca/myaccount/en.
